OWNER RELEASE

I understand you cannot guarantee the health of my pet, and will not hold the clinic responsible for conditions that are unavoidable in boarding kennels, such as but not limited to, weight loss, hair loss, nausea vomiting, and stress diarrhea. I understand all pets admitted to the clinic must be protected against communicable contagious diseases and must be free of internal and external parasites or will be treated on entry or discovery at the owner/agent's expense.

If vaccinations were performed elsewhere, I will provide proof of vaccines and lab work that were done along with the results, as well as written documentation of the Rabies vaccination administered by a licensed veterinarian.

I understand that in the event of my pet's illness, the staff will immediately attempt to contact me or my agent to discuss the problem and treatment options, but may not be able to contact me immediately and is therefore authorized to initiate appropriate treatment until I or my agent can be reached.

Should an EMERGENCY arise, I authorize the medical staff to sedate my pet and /or perform such emergency procedures as may be necessary for the health of my pet until I can be notified. I agree to pay, in full, all charges for necessary services rendered for and to my pet.

I understand the clinic is not responsible for loss or damage to personal items left with the pet including but not limited to leashes, collars, toys, and bedding.

The clinic is to use all reasonable precaution against injury, escape, or death of my pet. The clinic and staff will not be held liable for any problems that develop provided reasonable care and precaution are followed. I understand that any problem that develops with my pet will be treated as noted above and I assume full responsibility for the treatment expense incurred.

I will call if my "pick up date" changes so you can plan accordingly. If I neglect to pick up my pet within 5 days of the date scheduled for discharge, and do not notify you within that time period, you may assume that my pet is abandoned.
